“ The LM-PerioKit by Style Italiano contains the essentials for the best possible therapy.

Instruments have been selected in the spirit of Style Italiano whose philosophy is to make treatment feasible, teachable, repeatable. Periodontal therapy too can follow this approach. It's my feeling that, in the best interest of his patients, every practitioner should be able to properly execute non surgical therapy, crown lengthening procedures, free gingival grafts, simpler surgical root coverages.”

**Giano Ricci**  
MD. DDS. MScD.
